Scholarships for the Festival of Christmas & Midwinter Traditions

Need-Based Scholarships

The Jane Farwell Memorial Festival of Christmas & Midwinter Traditions Scholarship (2) is given to two families, and awards each family with free tuition for one full-time child or teen. We prefer to award this scholarship to families who have not received it in the past three years. If you have received the scholarship in the past three years and still need assistance, however, please do apply. Lodging is not included with this scholarship.

The Howard Capon Memorial Scholarship (2) provides assistance for first-time participants who have never attended the festival before. We award half-price scholarships to two full-time participants. Lodging is not included.

New this year! We invite you to add a donation to your registration to contribute to the Jane Farwell and Howard Capon Memorial Scholarship Funds.

The four team members will be responsible for washing all dinnerware in our industrial dishwasher and putting away all dinnerware after each meal. There are 11 meals. Dishwashing team members are not responsible for washing cookware or servingware. All team members will stay in the kitchen until all dishes are put away.
