

Special Notice regarding upcoming Folklore Village events:

To our beloved Folklore Village Family:

In keeping with CDC guidelines, Folklore Village has decided to cancel all events through the end of April. (note: This has now been changed to the middle of May) This includes our upcoming **Cajun Weekend**, and the following Weekend's **Spring Scandinavian Weekend**, and the April 7 **Open Mic**. The **Friends of Folklore Village's Spring Hop Fundraiser**, and John Curran's preparatory dance classes have been postponed to a later date. See a statement from the Friends [HERE](#). **The English Country Dance Weekend** has been postponed to August 28 – 30, 2020. The Maypole Event and the Night in the Schoolhouse have also been cancelled.

We are monitoring the situation closely, and will keep you informed of any rescheduling that may occur, and provide updates on future festivals and other events, especially those in May. Please continue to check our website for updates.

All registrants for the Cajun and Spring Scandinavian Weekends may expect a full refund of fees already paid, upon request to office@folklorevillage.org. However, if you could consider donating any portion of your fees back to Folklore Village to help keep us afloat through these perilous and difficult times, it would be tremendously appreciated!

Dear friends, do stay well. We look forward to gathering again when the nation and the world return to health. ♥♥

The Board of Directors of Folklore Village, and Terri, Becky, and Sallie Anna
